Scoring

Record “X” or ”O” for Out

Black in Square if they Score

Draw a line under the square of the player who makes the third out of the inning. Play begins with the following player the next inning

Organizing Teams

Assign spouses to opposite teams in the same game.

Balance number of men and women to each team

Alternate men and women in the batting order as best you can

Balance skills as best as you can.

Keep teams close to equally numbered for better competition

5 to 12 players per team. 9 is optimal.
