Dues are \$ 10.00 per family/coach for one year. Membership in FMCA is required. If you are not an FMCA member, we'll help arrange your membership.

New members must purchase chapter name badges for \$12.50 for each person.

To join, give this application and a check or cash to the Treasurer, Secretary or one of the other officers.

\* please use the name you want on your name badge and in the club roster

*TRAVLIN' TEXANS* has members across all of Texas and a few outside Texas. We hold 5 rallies a year across the state of Texas.

Rallies are the first weeks of March, April, May, October and November.

About 35 families belong to the *TRAVLIN' TEXANS*. Most rallies average 10-20 motorhomes -- attendance small enough to develop close friendships and large enough to sustain the chapter for over 20 years.

*TRAVLIN' TEXANS* rallies are generally 3 days long. Typically, we start about 5:00 pm on Tuesdays and end after breakfast on Friday. Many members show up a day or two before the rally to begin visiting, playing games and local touring on their own.

We're always interested in new members. We like to make new friends with common interests in motorhome travel and recreation. Our rallies are regular meetings of old friends who enjoy visiting, some organized activities and meals, games and local touring. We hope will find this a warm, friendly group.

Visit us at a rally and consider joining. You do not have to be a member of FMCA to visit the first time.

See our website ([www.Travlin-Texans.org](http://www.Travlin-Texans.org)) for more information on typical rally activities.

Individual rallymasters plan and run each rally. Rallies vary somewhat according to local tourism opportunities, campground facilities and the rallymasters' preferences. However, common activities include --

- Potluck meals
- Group meals prepared by the rallymasters
- Catered meals
- Eating out at local restaurants
- Antique shopping by small groups
- Outlet mall shopping by small groups
- Group games and tournaments

Special activities sometimes include entertainment -- local talent or some of our more talented members.

Usually, lots of "free time" is included. During these periods, members can choose to join a game of dominoes or cards (there always seems to be one or more going on), go shopping with friends, take in local tourist attractions, or just take a nap.

Rallies revolve around campground "rally rooms". All rally sites are selected to ensure that the campground has a rally room, which we reserve. Group meals are served here, entertainment and business meetings are held here. And, the rally room becomes the social center -- with members playing games, visiting, or getting up groups to go see local sights or go shopping.
